Green Works is the grower specialized in young planting material for Peonies, Ranunculus, special pot plants and summer cut flowers.
Green Works is the grower specialized in young planting material for Peonies, Ranunculus, special pot plants and summer cut flowers. Our assortment includes a large quantity of unique varieties. Most of these are sold under license contract. Green Works also supplies plants for the plant trade and export. We have our own breeding location in Westland. We are continually searching, also at third parties, for new and improved varieties. Green Works offers a total package to put an unique and healthy product on the market.

**Growing support**
For all products we have professional growing information available. We can also assist you during the growing of the products via our personal visits.

**Promotional and marketing support**
- Green Works has professional digital photography available for all products. For buyers this can be used free of charge in behalf of website, e-mail, printing matters, catalogues or other promotional material.
- Green Works also has available picture tags with detailed information for all potted plants that we sell.
- On Social Media, we can assist customers or use our own instruments for support; www.twitter.com/GreenWorksNL www.facebook.com/GreenWorksInternational

Green Works is present on the important exhibitions and trade shows.

**Peony catalog**
Green Works is a large grower of peonies for the cultivation for cut flower and trade, in the Netherlands and abroad. We supply young two year old and healthy planting material, true to variety and true to size. Our assortment is divided in the categories Paeonia for cut flower, Itoh Peony and Patio Peony. For pot, cut and dry sale. An overview of our assortment can be seen in our special peony catalog. With high resolution pictures for all our varieties. Our catalog can be found on our website, or we can send a digital copy of our catalog.

**Ranunculus catalog**
In addition to this Young Plants catalog and the Peony catalog as mentioned above, Green Works also has a special catalog for our Ranunculus. In it we show our extensive assortment which is divided in the series Ranunculus Butterfly™ and Ranunculus Romance™. Cut flowers from the Japanese breeder Aya Engeli. The Butterfly™ variety is unique because of its single formed flowers and a single stem can carry twelve to fifteen flowers each. And the Romance™ variety has very large flowers, long and strong stems and a good vase life. Also in this catalog we have beautiful high resolution pictures. Our catalog can be found on our website, or we can send a digital copy of our catalog.
